KLAMATH COUNTY

Landuse Zoning

Township 29 S Range 05 E

0 500 1000 2000 3000 4000 Feet
1 inch equals 1,000 feet
(At Original Map Size - 34" X 44")

This is a true and accurate copy of the Official Klamath County Zoning Map, adopted in electronic format on February 11, 2009. Representations of accuracy relate to zoning designations only. Prior to final reliance on this map, the user is responsible for checking whether any additional amendments have occurred since adoption which could affect the zoning determination.

This map was created for zoning verification purposes by Klamath County and should not be used for any other purpose. Accuracy and completeness are not guaranteed by Klamath County MIS to any other agency, business, or entity whether, public, private, or individual.

To verify the current zoning of a parcel or to report possible errors please contact the Klamath County Planning Division at (541) 883-5121, Option 4.
