

Indoor Air Quality Referral List

Oregon Department of Environmental Quality does not handle indoor air issues. Please refer to the contact list below for your indoor air quality issues. If your concern is about air quality in your workplace, check with your company's safety office before contacting OR-OSHA.

ALAO: [American Lung Assoc. of Oregon](#) **OHS:** [Oregon Health Services](#)
OR-OSHA: [Oregon Occupational Safety & Health Division](#) **EPA:** [Environmental Protection Agency](#)
