# Serving Our Veterans

## Klamath County Veterans' Service Office

Providing assistance to  
veterans and their  
dependents in filling for  
government benefits  
and services

“... to care for him  
who shall have  
borne the battle  
and for his widow  
and his orphan.”

-Abraham Lincoln

Laws restrict the Veterans Administration from developing, presenting and prosecuting claims against itself.

**We are not Federal Veterans Administration employees.**

**The Klamath County Veterans' Service Office is a County Department governed by the Klamath County Board of Commissioners**

The Klamath County Veterans' Service Office is here to help guide you through the process and make sure you receive the benefits to which you are entitled.

Unfortunately, veterans' benefits are not automatic. While the Klamath County Veterans' Service Office helps veterans throughout the process, it is ultimately the veteran's responsibility to apply for benefits in accordance with Federal and/or State law, rules and regulations.

Our staff interprets regulations, helps gather required documentation and assists in filing claims for disability, pension, and for survivor and dependents benefits
